Attention all Flight Instructors,

March 1, 2003

The Federal Aviation Administration and the North Carolina DOT are planning our spring Wings Weekend in the Piedmont-Hawthorne Corporate hangar at the Smith Reynolds Airport (INT) in Winston-Salem, NC on April 26-27, 2003. We need volunteer flight instructors to provide the three hours of dual instruction that a pilot needs to earn a set of "Wings". For phases I, II, and III, flight instructors can earn their "Wings" by helping three pilots earn theirs. The only other requirement to earn a set of wings is to attend at least one of the seminars offered on Saturday and Sunday. So if you would like to help us out this year please fill out the **registration form on the back side of this flyer** and return to me: Larry Lambert, SPM, 6433 Bryan Boulevard, Greensboro, NC 27409 or FAX to (336) 662-1080, or E-mail your registration information to: larry.f.lambert@faa.dot.gov. Any questions, call me at (336) 662-1009. If you will be staying overnight call the Comfort Inn on Akron Drive, (less than a mile from INT) at (336) 767-8240. *Saturday night banquet speaker will be retired United Air Lines Captain Al Haynes. Capt. Haynes tells his story of how he lands his crippled DC-10 in Sioux City Iowa on July 19, 1989.* The banquet is free.

REGISTRATION FORM ON THE BACK OF THIS FLYER

We will have a CFI meeting and free pizza on **Friday April 25 at 6:00 PM** (CFI's only) at the main Terminal building at the Smith Reynolds Airport (INT). Pizza provided by *The Southern Aviator*. We will discuss how the Wings Program works, ATC procedures for the weekend, and how **you can renew your flight instructor certificate**. *The Southern Aviator* will also provide free lunches on both Saturday and Sunday to all Flight Instructors who volunteer.
